Hello! My name is Hermione Granger. I am 12 years old. I live in London city, in England. I go to Hogwarts school, where I learn magic. My favorite subject at school is "Defense against the dark arts" but I also like "History of Magic" and "Transformation". I like sports like "Quidditch" (you fly on a broom!). But, I really like to read books. I have two best friends: Harry and Ronald.
