

Paranoid (Black Sabbath)

Finished with my woman 'cause
She _____ me with my mind
People think I'm insane because
I _____ all the time

can't find

am frowning

All day long I think of things
But _____ to satisfy
Think _____ my mind
If I don't find something to pacify

I will cry

I can't see

_____ me occupy my brain?

I cannot feel

I need someone to show me
The things in life that I _____
I _____ the things that make
True happiness, I must be blind

couldn't help

nothing seems

Make a joke and I will sigh
And you _____ and I _____
Happiness I _____
And love to me is so unreal

I'll lose

will laugh

I could

And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish _____ but it's too late.

Can you help
