

Paranoid (Black Sabbath)

Finished with my woman 'cause
She _____ me with my mind
People think I'm insane because
I _____ all the time

All day long I think of things
But _____ to satisfy
Think _____ my mind
If I don't find something to pacify

_____ me occupy my brain?

I need someone to show me
The things in life that I _____
I _____ the things that make
True happiness, I must be blind

Make a joke and I will sigh
And you _____ and I _____
Happiness I _____
And love to me is so unreal

And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish _____ but it's too late.

can't find
am frowning
I will cry
I can't see
I cannot feel
couldn't help
nothing seems
I'll lose
will laugh
I could
Can you help
