Doctor: Next!

Frank: Hi Doctor.

Doctor: Come in, please. Have a seat.

Frank: Thanks!

Doctor: What's your name?

Frank: Frank Taylor.

Doctor: And how old are you Frank?

Frank: I'm 17.

Doctor: Ok. What's the matter?

Frank: I have a terrible headache and I can't stop sniffing and sneezing.

Doctor: Ok. Let me see your eyes. Mmm, they are a bit red. Do you have a fever?

Frank: No, doctor. But I feel terrible.

Doctor: Ok. Perhaps you have hay fever, which is a seasonal pollen allergy.

Frank: Really?!

Doctor: Yes, Frank. But don't worry. I will tell you what you should do to feel better soon. Are you allergic to any medication?

Frank: no.

Doctor: Ok. You have to take 1 of these pills every 12 hours. They could cause some drowsiness. So, you should take it when going to sleep.

Frank: Ok.

Doctor: If you have any plants inside your house, you should find them a better place in the garden. And, you should Hoover your house every day.

Frank: Every day?

Doctor: Yes. And, you should also wash your clothes and bed sheets on a regular basis.

Frank: Ok, it's a lot of work.

Doctor: Well, Frank. If you follow these tips you will be better very soon.

Frank: Thanks a lot.

Doctor: You're welcome.
