

TABLETA DE CÁLCULOS

A multiplication template on a grid background. It features a large rectangular box at the top for the multiplicand, a smaller box to its right for the multiplier, and a small 'x' symbol between them. Below these is a horizontal line. Under the line, there are three horizontal boxes for partial products, each shifted one position to the left. At the bottom, there is a long horizontal box for the final product.

An addition template on a grid background. It consists of two horizontal boxes for the addends, followed by a horizontal line, and a final box for the sum. A '+' symbol is positioned to the left of the first box.

A multiplication template on a grid background. It features a large rectangular box at the top for the multiplicand, a smaller box to its right for the multiplier, and a small 'x' symbol between them. Below these is a horizontal line. Under the line, there are three horizontal boxes for partial products, each shifted one position to the left. At the bottom, there is a long horizontal box for the final product.

A subtraction template on a grid background. It consists of two horizontal boxes for the minuend and subtrahend, followed by a horizontal line, and a final box for the difference. A '-' symbol is positioned to the left of the first box.
