

# Describing cities

SEUL

SAN SALVADOR

MEXICO DC

NEW YORK CITY

New York is \_\_\_\_\_ and \_\_\_\_\_ because it has a high number of population live in it.

I want to visit Seoul for the reason that it is \_\_\_\_\_ and clean, it has a enormous variety of food but it is a \_\_\_\_\_ city because you waste enough money to go there.

San Salvador is \_\_\_\_\_ because have a lot of trash in many parts of the streets and also it is you have to be careful which parts you visit.

Mexico City is \_\_\_\_\_, you can visit many place around there and it shows you its costume and culture.

Big	crowed	dangerous	clean	expensive	beautiful
interesting	Dirty
