Dear Mary,

How are you? Greetings from Paris! My apartment is small but it's central so I take the bus to school: I walk. My flatmates Jessica and Chloe from Ireland so we..... English and not French. Jessica doesn't study French: she..... in a bar in the evenings so she gets up at 5 pm and she..... to sleep at 3 in the morning. I cook meals but Chloe..... the housework.

I like my French classes because Julie, the teacher..... very kind and patient. In my class a lot of people from the USA and people from India.

My lessons.....at 9:00 and finish at 1 pm. In the afternoon there aren't..... lessons and we can visit Paris!

Love,

Marwa
