

# Canyon Moon

Harry Styles

You gotta see it to \_\_\_\_\_ it

Sky never looked so \_\_\_\_\_

So hard to leave it

That's what I \_\_\_\_\_ do

So I keep thinking back to

A time \_\_\_\_\_ the canyon  
moon

The world's \_\_\_\_\_ waiting

Doors \_\_\_\_\_, broken, blue

I heard Jenny saying

"Go get the kids from school"

And I keep \_\_\_\_\_ back to

A time under the canyon moon

I'll be gone too long from you

Staring at the ceiling

Two weeks and I'll be \_\_\_\_\_

Carry the feeling

Through Paris, all through Rome

And I'm still

thinking back to

A time under the

canyon moon

[Chorus]

I'm going, oh, I'm

going

I'm going, oh, I'm going

I'm going, oh, I'm going home

Quick pause in conversation

She plays songs I've \_\_\_\_\_ heard

An old lover's hippie music

Pretends not to know the words

And I keep thinking back to

A time under the canyon \_\_\_\_\_

I'll be gone too long from \_\_\_\_\_

[Chorus]

I'm going, oh, I'm going

I'm going, oh, I'm going

I'm going, oh, I'm going home
