Hi, my name's Paul. I come from Birmingham in England. There are lots of markets in Birmingham, but the Rag Market is my favourite. It's got new stalls, but the market is old. My dad's got a stall there. He's got lots of fantastic old accessories! There are also stalls with old clothes, new clothes and books. It's open four days a week and there are 350 stalls. Lots of people go to the Rag Market on Saturdays, so it is quite noisy. There are some cafés in the market with great food. It's a great place to visit.
