

ACTIVITY

1. Read the short text and answer some questions:

My name's Julia, and I am 27 years old. I live in London but I'm German. I live with my boyfriend and we are very happy. I work in a bank and I love my job.

From Monday to Friday, my day starts very early. I always get up at 6:30 and I have a 20-minute shower. Then, I get dressed and comb my hair. At 07:00 a.m I have breakfast, I usually have coffee and cereal. After that, I put on my make up and go to work.

At 10:00 a.m., I sometimes have a snack and at 12:00 I usually have lunch at the office with my colleagues. They are wonderful people who have a good sense of humor, and they are good friends too. At 3:30 I have a snack again, I usually have some tea and biscuits.

On Monday, Tuesday and Wednesday I go to the gym after work. When I get home, I have a shower again, I prepare dinner and I watch TV for a while. I like to go to bed as soon as possible, around 9:30.

Thursday is different because I don't go to the gym. I go out with my boyfriend every Thursday. We sometimes go to the cinema or we go out for dinner and to have a drink.

My boyfriend's name is Daniel, he is 31 years old, and he's an architect. He likes cooking but he doesn't like cleaning the house so we share the housework.

His family is from Spain. He has two brothers and no sisters. We have been a couple for six years. And we have been living together for two years.

On Friday night I always go out with my friends, we sometimes go to a bar and sometimes we meet at a friend's house but I can't be home late because I have to get up early on Saturday to clean the house.

At the weekend, I always visit my parents and I often visit my grandparents, too.

2. Read the sentences and write True (T) or False (F) according to the text:

Julia is English.

Julia gets up at 6:30 on Tuesdays.

In the morning, Julia puts on her makeup and after that, she has breakfast.

She usually has some tea at 12:00.

She goes out with her boyfriend on Thursday night.

Julia and Daniel have been together for five years.

Julia goes home very late on Friday.

3. Answer the questions try to make your answers as long as you can (including necessary information)

What does she usually have for breakfast?

Where does she have lunch?

Who does she have lunch with?

What days does she go to the gym?

When does she go out with her friends?

Who does she often visit at the weekend?
