

# FRIENDS

Chandler works in an **advertising** agency. His first **commercial** is **airing** on national TV, the ideas for this commercial were his.

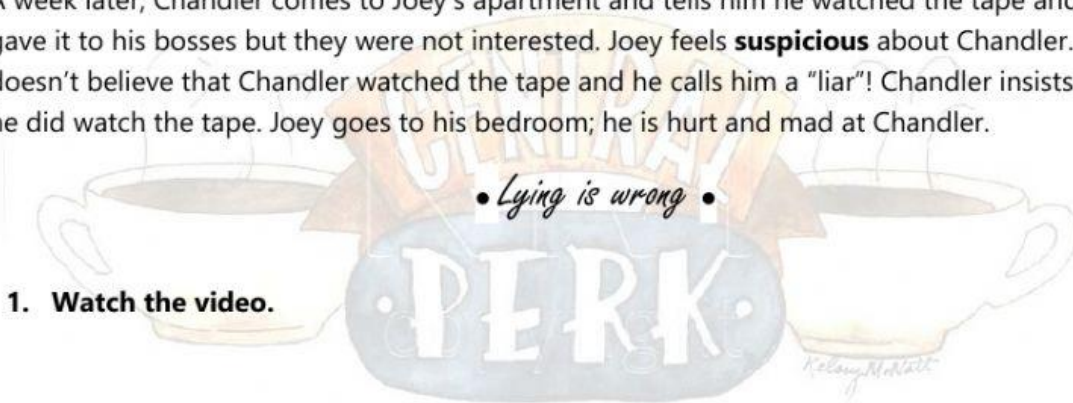

He tells the news to his friend Joey, who is an actor. Joey is happy for his friend Chandler and wants to be cast in the commercial. Chandler is not very **enthusiastic** about this idea because his agency needs someone who can play a **boring** professor and Chandler believes that Joey can't play this type of character.

Joey defends himself saying he is a "chameleon", but Chandler still thinks Joey is not right for the part.

A few days later, Joey wants to convince Chandler that he is right for the part, so he gives him a tape that **contains** all the commercials he played in and asks Chandler to "just watch it and if he doesn't like it, he doesn't have to pass it to his bosses".

A week later, Chandler comes to Joey's apartment and tells him he watched the tape and gave it to his bosses but they were not interested. Joey feels **suspicious** about Chandler... He doesn't believe that Chandler watched the tape and he calls him a "liar"! Chandler insists that he did watch the tape. Joey goes to his bedroom; he is hurt and mad at Chandler.
