**READING**

Paul likes all sports, but he plays football in his free time. He has football practice twice a week and a match every Saturday. That means he plays football three Times a week. What a busy schedule! Paul is ten years old. Naomi is eleven. She likes playing chess. She's in the chess club at school. The chess club meets once a week.

Leo sings with a group called The Tones. To be in The Tones you have to have a good voice. Robert is twelve. He plays the drums in his free time. He practises every day for 30 minutes. He usually practises when he gets home from school. Most of his neighbours aren't at home at that time, so he can play his drums very loudly.

**25. Choose the true sentence.**

- a) When Robert gets home from school, he does homework for 30 minutes.
- b) Naomi plays chess for one and a half hours every Monday.
- c) Leo plays football in his free time.
- d) Robert's neighbours love his practices.

**26. .... is ten years old.**

- a) Paul   b) Naomi   c) Leo   d) Robert

**27. Leo...**

- a) plays a loud musical instrument.
- b) loves sports.
- c) is a good Singer.
- d) often plays chess.

**28. Robert plays the drums for..... every day.**

- a) thirteen minutes    b) half an hour
- c) an hour                d) three minutes

**29. Naomi likes ....**

- a) playing games      b) playing the guitar
- c) playing football    d) playing chess

**30. Paul has a football match ...**

- a) every Sunday        b) three times a week
- c) twice a week        d) once a week
