

# This ain't a love song by Bon Jovi

I should have seen it coming

---

Should have seen the end of summer in your eyes  
I should have listened when you said good night

---

Baby ain't it funny how you never

---

You're really on your knees when you think you're standing tall  
But \_\_\_\_\_ are know-it-all and I've played that fool for you

[BRIDGE] I cried and cried every night  
Till I died for you baby  
I tried and I tried to deny it that your love

---

[CHORUS] If the love that I got for you is gone  
If the river I've \_\_\_\_\_  
Then I'm wrong yeah I'm wrong  
This ain't a love song

Baby I thought you and me would  
Stand the test of time  
Like we got away \_\_\_\_\_  
But we were just a legend in my mind  
I guess that I was blind

Remember those nights dancing at the masquerade  
The clowns wore smiles that wouldn't fade  
You and I were the renegades

---

It made me so mad 'cause I wanted it bad for us baby  
And now it's so sad that \_\_\_\_\_ we had  
Ain't worth saving oh oh oh

[CHORUS]

If the pain that I'm feeling so strong

---

Then I'm wrong yeah I'm wrong  
This ain't a love song

[BRIDGE]

[CHORUS]

If the pain that I'm feeling so strong  
Is the reason that I'm holding on  
Then I'm wrong yeah I'm wrong  
This ain't a love song
