The doctor's advice.

Once an old gentleman went to see a doctor. The doctor _____ him, listened to his _____ and _____, felt his _____ and _____, took his _____ and said that medicine wouldn't help the old gentleman. The doctor asked him to go to a quiet country place for a month and to have a _____. "Your illness is not serious, so don't _____!" continued the doctor. "Go to bed early, drink milk, walk a lot, and smoke just one cigar a day and you will _____ pretty soon."

The old gentleman _____ and said: "Thank you very much, doctor. I shall do everything you say."

A month later the gentleman came to the doctor again. "How do you do!" said the doctor, "I am very glad to see you. You look much younger. How do you feel?"

"Oh, doctor," said the gentleman, "I feel quite all right now. I had a good rest. I went to bed early, I drank a lot of milk, I walked a lot. Your _____ certainly helped me. But you told me to smoke one cigar a day, and that one cigar a day almost killed me at first. It's no joke to start smoking at my age."
