

Activity 1: Look at the Modern Family's family tree and decide if the following statements are True or False.

For example: Lily is Phil's daughter. **False**

1. Gloria is Luke's mother.
2. Jay is Manny's stepfather.
3. Cameron is Haley's uncle.
4. Claire is Joe's stepsister.
5. Alex is Haley's cousin.
6. Javier is Gloria's husband.
7. Lily is Haley's cousin.
8. Mitchell is Cameron's husband.
9. Dede is Cameron's mother.
10. Joe is Lily, Haley, Luke and Alex's uncle.

Activity 2: Re-write the false sentences to make them True.

For example: Lily is Phil's daughter → False. *Lily is Phil's niece.*
