**Watch the first part of the video and fill in the gaps.**

1. Hey guys, this is Evan and Jillian and we've just got back from Nickelodeon Slime Fest in \_\_\_\_\_.

It was the \_\_\_\_\_ U.S. slime fest and dozens of people turned up to get their slime on.

2. Bunch O Balloons are awesome! You can fill \_\_\_\_\_ balloons in just \_\_\_\_\_ seconds! You just connect the attachment to your water source and you feel the \_\_\_\_\_ resting in water.

When they reach the correct size, you just pull up and they come off \_\_\_\_\_ to go! No mess and no stress!
