### Digestive System Organs and Their Functions

| Organ | Digestion Type | Enzymes | Broken Down | Absorbed |
|-------|----------------|---------|-------------|----------|
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
|       |                |         |             |          |
