Working with Homophones

Homophones are words that sound the same, but have different things.

Read each sentence carefully; choose the correct homophone that best completes each sentence.

1. My friend Anthony is _____ years old.

(eight, ate)

2. My black _____ of shoes with the bow are my favorite.

(pear, pair)

3. We are not _____ to bring toys to school.

(aloud, allowed)

4. During the_____ we heard weird sounds coming from the rear of our house.
