UNIT TEST 4 - LISTENING

1 UT Track 4 **Listen to a conversation between Ian and Corrine and decide if the sentences are true (T) or false (F).**

1 Ian is planning to send a film to the NFFTY festival. **T / F**

2 The film festival is free for everyone to go to. **T / F**

3 This year's festival is only accepting 360-degree films. **T / F**

4 You need more than one camera to make a 360-degree film. **T / F**

5 Ian has already made his film for the festival. **T / F**

__/5

2 UT Track 4 **Listen to the conversation again. Choose the best answer (A, B or C).**

1 How was the festival different in its second year?
- **A** The people who organised it were different.
- **B** It had more international visitors.
- **C** It continued for two more days.

2 What happened in 2009?
- **A** People from other countries started coming to the festival.
- **B** Film-makers from abroad sent their films to the festival.
- **C** There were 127 films to watch.

3 What can people do at the festival?
- **A** Make a new film with other people.
- **B** Listen to people who work in the film industry.
- **C** Have a party located inside a cinema.

4 What does Ian suggest about 360-degree films?
- **A** He believes they will be very popular in the future.
- **B** He thinks they have some disadvantages compared to television.
- **C** He feels they could be difficult for some people to watch.

5 Ian says that virtual reality headsets
- **A** are easy to make if you follow the instructions on YouTube.
- **B** allow the people wearing them to decide what to look at.
- **C** are all very expensive for people to buy.
