Complete this film review using a word on the right for each gap.

"The Wrong Trousers" is a <sup>1</sup> \_\_\_\_\_ of a cartoon and detective film. It was <sup>2</sup> \_\_\_\_\_ by Nick Park in the UK. It <sup>3</sup> \_\_\_\_\_ at Wallace's home and the museum at night time. There are three main <sup>4</sup> \_\_\_\_\_ in this film, Wallace, Gromit and the penguin. Wallace is not very <sup>5</sup> \_\_\_\_\_ and he is a lazy man. Gromit is a clever dog who is very <sup>6</sup> \_\_\_\_\_ and helpful. The penguin is a dishonest animal, and he is a <sup>7</sup> \_\_\_\_\_.

The film begins with Gromit's birthday, and Wallace and Gromit have a <sup>8</sup> \_\_\_\_\_. They decided to rent their spare room to the penguin. In this story, Gromit (a dog) finds himself being <sup>9</sup> \_\_\_\_\_ of his room and home by a new <sup>10</sup> \_\_\_\_\_ who is actually a cruel criminal, penguin. The penguin is planning a <sup>11</sup> \_\_\_\_\_ and needs to use Wallace and his mechanical remote controlled trousers to <sup>12</sup> \_\_\_\_\_ the blue diamond from the museum. However, Gromit <sup>13</sup> \_\_\_\_\_ about it and comes to the rescue. Finally, the penguin was <sup>14</sup> \_\_\_\_\_ to prison.

My favourite character is Gromit <sup>15</sup> \_\_\_\_\_ he is very honest and <sup>16</sup> \_\_\_\_\_ to help friends. The film teaches me to be flexible and not to be naive before choosing friends or trusting someone. This is a must see for all ages and I <sup>17</sup> \_\_\_\_\_ to tell my friends to watch this film.
