When little Red Riding Hood got to her grandma's house, the wolf was already there waiting for her. Little Red Riding Hood was unaware of the danger that was to follow.

Little Red Riding Hood's mother gave her a basket to deliver to her sick grandma.

When little Red Riding Hood entered and saw her grandma she thought something was odd because her grandma looked strange.

Her mother told her to stay on the path and not talk to any strangers.

Luckily, a hunter in the forest heard the wolf and was able to save Little Red Riding Hood and her grandma.

As she walked through the forest, a wolf spotted Little Red Riding Hood. He asked her where she was going. She told him she was on her way to her grandma's house.
