Sarah's trip

I had a fantastic holiday in Argentina. It was hot and the sea was blue and lovely. I traveled by plane from Rio to Buenos Aires .

I really liked the flight. It was five hours. During the flight, I listened to music, watched a film and talked to the girl in the seat next to me.

I stayed with my mother and father in Buenos Aires. They invited me to go on a park. We enjoyed a lot . It was brilliant. On my last day there I visited a museum.
