JUSTICE (Sevana)

[Verse 1]:

They're putting up borders
Splitting the Earth into *worlds*
So, if I belong to the third world
That means that the first pays more fruit

[Verse 2]:

So selfish with what we have
And not really mindful of who
Will suffer and so we
Continue to tear down our brood

[Verse 3]

Never ever thinking long term
Always thinking of what we can earn now
If you're asking what your *life* is worth
What will you answer as you litter the ground

Chorus

**The Earth will serve us justice
Will outlive you and me
With every storm you know there's justice
The sea washes the street**

[Verse 4]:

Why do you curse the *place* that serves you
What makes you think that we're supreme
No amount of money will protect you
From all the energy we steal

[Verse 5]:

The Earth will serve us justice
Don't have to choose to *believe*
We all think that we're so mighty
Well, if we cannot see we *feel*

[Verse 6]:

Polluting our waters
And putting the poison in food
Everything made to
Sell so we don't hear the truth

Verse 3

Chorus

Verse 4

Verse 5

Ooh it will rain down fire and storm
That is when what we do will catch up
Will catch up, will catch up
Not until the end has come
And all life is running out
Will we believe because then we'll see

Chorus

Verse 4

Chorus

No amount of money will protect you
From all the energy we steal
No amount of money will protect you

Chorus

Verse 5

The Earth will serve us justice
Will outlive you and me
