

# ALL I KNOW SO FAR by P!nk

Haven't always been this \_\_\_\_\_  
I wasn't born a renegade  
I felt alone, still feel \_\_\_\_\_  
I stumble through it anyway

I wish someone would have told me that this \_\_\_\_\_ is ours to choose  
No one's handing you the keys or a book with all the \_\_\_\_\_  
The little that I know I'll tell you  
When they dress you up in lies and you're left naked with the \_\_\_\_\_

You throw your head back, and you spit in the \_\_\_\_\_  
Let the walls crack, 'cause it lets the light in  
Let them drag you through \_\_\_\_\_  
They can't tell you to \_\_\_\_\_ who you are  
That's all I know so far  
And when the storm's out, you run in the \_\_\_\_\_  
Put your sword down, dive right into the \_\_\_\_\_  
Stay unfiltered and loud, you'll be proud of that skin full of \_\_\_\_\_  
That's all I know so far (x2)

So you might give yourself \_\_\_\_\_, yeah  
And pay full price for each \_\_\_\_\_  
But when the candy-coating hides the razor blade  
You can cut yourself loose and use that \_\_\_\_\_

I wish someone would have told me that this \_\_\_\_\_ comes and goes  
People will pretend but baby girl, nobody knows  
And even I can't \_\_\_\_\_ you how to fly  
But I can show you how to live like your life is on the \_\_\_\_\_

You throw your head back, and you spit in the \_\_\_\_\_  
Let the walls crack, 'cause it lets the light in  
Let them drag you through \_\_\_\_\_  
They can't tell you to \_\_\_\_\_ who you are  
That's all I know so far

And when the storm's out, you run in the \_\_\_\_\_  
Put your sword down, dive right into the \_\_\_\_\_  
Stay unfiltered and loud, you'll be proud of that skin full of \_\_\_\_\_  
That's all I know so far

That's all I know, that's all I know so far (x4)

I will be with you 'til the world blows up, yes  
Up, and down, and through 'til the world blows up  
Yeah  
When it's \_\_\_\_\_, or it's all fucked up 'til the world blows up  
'Til the world blows up  
And we will be \_\_\_\_\_  
And until the world blows up

Just throw your head back, and spit in the \_\_\_\_\_  
Let the walls crack, 'cause it lets the light in  
Let them drag you through \_\_\_\_\_  
They can't tell you to \_\_\_\_\_ who you are

And when the storm's out, you run in the \_\_\_\_\_  
Put your sword down, dive right into the \_\_\_\_\_  
Stay unfiltered and loud, you'll be proud of that skin full of \_\_\_\_\_  
That's all I know so far

That's all I know, that's all I know so far (x4)

I will be with you 'til the world blows up, hm
