

A. Read the script below.
The 3Rs

Kiran : Hi Alia, are you collecting newspapers these old books?
 Alia : Well, I to send them to the recycling centre. They can me these things.
 Kiran : Oh, no wonder. Well, can you me some? I can it for my Papier-maché art project.
 Alia : Sure, no . Do you notice you have applied the second R of the 3Rs?
 Kiran : The 3Rs? is that?
 Alia : , and
 Kiran : Oh, that means I just suggested a to reuse paper!
 Alia : Yes. Reuse means something over and over . Aside from using it for an art project, these papers also be used as wrappers too.
 Kiran : Okay, let's ... I have learned recycling previously and that is the third R of the 3Rs. So, what is the first R?
 Alia : The R is reduce and it means to use less of . For example, we reduce the use of tissue . So, we use a towel napkin instead. When it gets , we can just it and use it again. That way, might be able to save the trees!
 Kiran : That is amazing! From on, I am going to apply the 3Rs in my life.
 Alia : Sure. Let's save the together, shall we?

Pair Work

B. Role play the dialogue with a partner. Use suitable props to enhance your performance.

Flash Card

papier-maché: paper pulp mixed with glue

- Teacher checks on the pupils' diction.
