3. I exercise my body and play.
4. I learn to draw, paint, and sing.
5. I learn about countries and cultures.
6. I learn about algebra and geometry.

## Read these short paragraphs to answer the questions

**Arianne, Norway**

I'm a university student and I have a very complicated schedule. On Mondays, my first class is philosophy. It starts at 7:00 o'clock. Then I have three more classes. I finish classes at 1:00 o'clock. It is tiring.

**Lupe, Mexico**

Well, I'm in high school and my favorite subject is Algebra. I like numbers. During the week I have five hours of Algebra, and I really enjoy them. On Monday, this class is from 9 to 11 am., on Wednesday we have the same schedule, but on Friday we receive this class from 8 to 9 am.

**Fred, Canada**

I'm a civil engineering student, and I love physics I. Fortunately, I have this class daily. On Monday, it is from 7 to 8, on Tuesdays it is from 9 to 10; and the rest of the days it is from 10 to 11.

## Match the description to the correct person

This person's favorite class is on Monday from 9 to 11 am.		FRED
This person receives his favorite subject every day.		ARIANNE
This person's last class is at one o'clock.		LUPE
