

Spelling - Diagraphs (gh, ph and f)

Correct the spelling.

Someone can't spell very well! Read the following paragraph and correct the spelling. Identify the incorrect word and write the correct one in the box next to it? Write the word in the order it appears in the sentence.

My neghew and I went phishing yesterday.
The sea was very rouf and we didn't catch
many phish but I was lucky enouf to hook
a lovely phat trout. We are both very
phond of trout so we decided to divide it and
take halgh each. On the way back to the car
my neghew put his phoot into a puddle of water.
He just lauphed and said it didn't matter,
but he had quite a nasty couf and I was
aphraid that it might get worse, so we drove
back home as phast as we could.
