

## Spelling - Diagrams (gh, ph and f)

### Correct the spelling.

Someone can't spell very well! Read the following paragraph and correct the spelling. Identify the incorrect word and write the correct one in the box next to it? Write the word in the order it appears in the sentence.

My neghew and I went phishing yesterday.

The sea was very rouf and we didn't catch

many phish but I was lucky enouf to hook

a lovely phat trout. We are both very

phond of trout so we decided to divide it and

take halgh each. On the way back to the car

my neghew put his phoot into a puddle of water.

He just lauphed and said it didn't matter,

but he had quite a nasty couf and I was

aphraid that it might get worse, so we drove

back home as phast as we could.
