

## Focus Questions

Answer these questions after working alone:

1. How did you feel working alone?
2. How comfortable were you working alone?
3. What were your strengths when working alone?

Answer these questions after working with a partner:

1. How did you feel working with a partner?
2. How comfortable were you working with a partner?
3. What were your strengths when working with a partner?

Answer these questions after working with a group:

1. How did you feel working with a group?
2. How comfortable were you working with a group?
3. What were your strengths when working with a group?

Answer these questions after all three parts of the activity have been completed:

1. What did you learn about yourself in each situation?
2. What role did you play in each situation?
3. Were you more comfortable working alone, with a partner, or with a group?
