She trains for 3 hours with her team and then goes home for lunch. She always eats a very big and healthy lunch. After that she finishes lunch and she goes to bed for one hour.

After her nap, she likes going for a walk around the lake and look at nature. She sometimes reads or meditates at the lake in the afternoon. In the evening, during the week, she meets her friends. Her friends are athletes too, so they have a lot to talk about.
