

## LISTENING

You will hear people talking in eight different situations. For questions 1-6, choose the best answer a, b or c.

### TIPS

- Read the questions and options carefully before you hear each extract. Pay special attention to question words (Who, what, Why, etc.).
- Listen to each extract carefully. Don't try to understand every single word or phrase, but focus on the whole meaning.
- Choose the option that best answers the question. Don't choose an option just because words or phrases included in the extract appear in it.
- Choose an option after you have heard the whole extract and confirm your choice when you have heard the extract for the second time.
