A very strange experience

Last month I was on holiday in Ireland with my mom and dad. One day, we were driving through a small village. It was time for lunch, so we stopped at a restaurant .

It was a large , old building. We looked through the window. There were lots of people in the restaurant. They were eating , drinking and chatting . A musician was playing the violin. But there was something strange about the people . They weren't wearing normal , modern clothes. They were wearing hats, jackets and dresses from another century . We couldn't understand it. But we were hungry , so we opened the door .

When we went into the restaurant, everything was different. The people were wearing normal clothes. The musician wasn't there- the music was on CD. It was a very strange experience !
