After more than twenty years, there's no sign of failure in this all-singing, all-dancing show which still regularly brings breathless audiences to their feet at the end. There is a mystical sentimentality in the show's storyline. The singing and choreography are excellent. It is almost impossible to resist a feeling of excitement. The show is also known for one of Lloyd Webber's most famous tunes.

### **B. Рубрика:**

Born in Dublin Freddie Bartholomew was left by his parents at an early age and was brought up by his aunt. He acted in a few small parts in films but his career really took off when he was ten. Freddie was not spoilt by his success and when his voice broke he returned to normal life.

### **C. Рубрика:**

Recent research has shown that appreciation of music is not a matter of individual taste. Certain types of music have a particular effect on us and it does not matter whether we like them or not. Some music helps us feel relaxed and peaceful, whereas other types may be stimulating to the brain, encouraging curiosity. Some music promotes loving feelings; other sounds evoke hate, jealousy and violence.

### **D. Рубрика:**

The new CD Stop the world I want to get off from the "whiter than white" group Essex Wenches is already in the top ten after only one week of sales. It contains a lot of new and exciting songs dealing with more adventurous and sometimes controversial topics, such as their opposition to fast food, real fur coats, eating meat and driving cars at more than twenty miles an hour in city centres. Good luck to them!

### **E. Рубрика:**

The stage filled with loud music and light. Robbie came on in a black, shiny T-shirt, a black leather jacket and leather trousers. When a new version of Back for Good was sung, his fans became more and more excited. Robbie took off his jacket and the fans went mad. More and more girls left their seats trying to get closer to Robbie. The screaming got louder and louder and it was difficult to hear the words of the songs.

### **F. Рубрика:**

Like any other skill or art it takes time to develop your talent, so start by studying music at school and also at home. Learn to play a musical instrument. The next stage is to join a band or form a group. Once you've got a band going, you should start trying to write your own music. Your next step is to play for the public. Spend a few hours thinking about the band's image. You need a fresh image, so that you appear different from other bands.

### Marco Polo

Marco Polo is famous for his \_\_\_\_\_ across Asia. He was one of the \_\_\_\_\_ Europeans to travel in Mongolia and China. He wrote a famous book called 'The Travels'.

He was born in Venice, Italy in 1254. In 1272, when he was only 17 years \_\_\_\_\_, he travelled to Asia with his father and uncle. The journey was \_\_\_\_\_ long. They visited a lot of places and saw wonderful things: eye glasses, ice-cream, spaghetti and the riches of Asia.

After three years they entered China through the Great Wall. In 1275 Kublai Khan, the \_\_\_\_\_ of China, met the visitors at his Summer Palace in the capital of China at Xanadu. The palace was very beautiful. There were a lot of gold things and \_\_\_\_\_ curtains. A big banquet was given to honour the visitors. There were more than a thousand people in the palace.

When he returned to Italy in 1295, he became a popular storyteller. People came to his home to hear stories about his journeys in the East. Many of them did not believe him. When he died, he said: 'I haven't told half of what I saw, because no one can believe it.'

In some countries, writing or painting on walls is a crime. Sometimes, graffiti artists have problems with the police. In other countries, artists can draw and paint in certain places. For example, in Taiwan, there are 'graffiti zones' where artists can paint on walls. In São Paulo in Brazil, street artists can paint pictures on walls and houses. Their pictures are colourful and beautiful. Some tourists visit São Paulo just to see the street art!

In Bristol in the UK, there is a street art festival in August every year. Artists paint all the buildings in a street. Lots of people come to watch the artists and take photos. You can see exhibitions of street art in some galleries too. There have been exhibitions of street art in galleries in Paris, London and Los Angeles.
