

Past Tense Verbs

Read the text and make a list of all the verbs in past tense.

Last week I did a lot of fun things. First, on Friday, someone brought a guitar to my house and we sang lots of old songs. Then on Saturday we went out to a couple of parties where I met lots of interesting people. After that, on Sunday morning we built a nice tree house and flew kites!

Unfortunately, that afternoon I caught a cold that cost me a good night's sleep. Bad luck!
