Hi, Jennifer,

I'm finally in Seoul! It's a big city, and my neighborhood is a busy place. There's a convenience store across from my house. There's also an Internet cafe. I go there every day! In fact, I'm there right now! I'm having lunch—kimchi and tea, mmm! The people here are interesting and friendly.

There's a movie theater around the corner from my house. And there's a shopping mall two blocks away. There's a good bookstore in the shopping mall and a department store, too. There isn't a swimming pool in my neighborhood, but there's a nice one nearby, and I can walk there, too.

How's it going? How are Mom and Dad? Can you visit me this summer? You can meet my friend Sung-jin. He's very good-looking!

Please write soon.
