**GIDEON AND MOSES**

Gideon and Moses are two biblical examples of person who doubted their abilities. Gideon doubted his ability to defeat the Midianites; he told the Lord he was the weakest in his father's house. Moses said that he was not a good speaker and would not be able to speak before King Pharaoh. In spite of their doubts, God used both of these men to accomplish special tasks.

God's Word contains many scriptures that encourage individuals to be strong, courageous and positive about their lives and future. Philippians 4:13 states, "I have the strength to face all conditions by the power that Christ gives me." According to this scripture, individuals have the power to accomplish their goals through faith in Jesus Christ.
