

HAPPIER by Ed Sheeran

Walking down 29th and Park
I saw you in another's
Only a month we've been apart
You look happier

Saw you walk inside a
He said something to you laugh
I saw that both your smiles were twice as wide as ours
Yeah, you look happier, you do

Ain't nobody hurt you like I hurt you
But ain't love you like I do
Promise that I will not take it personal, baby
If you're moving on with someone

'Cause baby, you happier, you do
My friends told me one day I'll feel it too
And until then I'll smile to hide the truth
But I know I was happier with

Sat on the corner of the
Everything's reminding me of you
Nursing an empty bottle and telling myself you're happier
Aren't you?

But ain't nobody hurt you I hurt you
But ain't nobody need you like I do
I know that there's others that deserve you
But my , I am still in love with you

But I guess you look happier, you do
My told me one day I'll feel it too
I could try to smile to hide the truth
But I know I was happier with you

'Cause baby, you look happier, you do
I knew one day you'd fall for someone new
But if he breaks your like lovers do
Just know that I'll be waiting here for you.
