

## READING COMPREHENSION

Hi! My name is Carol. I'm eleven years old. I live in Calabria, a small city in the south of Italy. I love horse-riding with my sister Francesca. She is a waitress. She works all week. We sometimes go horse-riding on the weekend. On Saturday night, we watch horror films and eat popcorn.

Last weekend, my best friend Romina was at a music concert. His favourite singer "Justin Bieber " was there. There were hundreds of people. There were a lot of girls but there weren't any boys. The concert was amazing!
