

Arithmetic: Review

1) Fill in the gaps with one preposition (FROM- BY – TO)

DIVIDED _____

ADDED _____

MULTIPLIED _____

SUBTRACTED _____

2) Listen and complete the summary of the reading text. Write one word in each space

With the Casio HS-85TE you can add, subtract, multiply and _____ in a moment. Turn on the Casio HS-85TE with the AC/ON _____. Also press this Key before you do a _____ to clear the screen (AC = _____ clear). If you make a mistake, press the _____ key. This removes the last number or _____.

3) Read the conversation between a man and a woman. Who made a mistake?

Read again and choose the best answer in each case

Man: I don't understand how to use this calculator.

Woman: Really? What's the problem?

Man: It gives the wrong answer.

Woman: That's impossible! What are you trying to do?

Man: I want to calculate a percentage.

Woman: OK.

Man: So I press 4, then divide, then 8, then equals, then %.

Woman: What's the result?

Man: 0.5

Woman: Give it to me. Tell me the numbers again.

Man: 4 divided by 8.

Woman: OK. 4, divide, 8, percent. There you are. 50%.

Man: I don't understand.

Woman: Don't press the equals key. Just enter the numbers and press percent.

Man: Oh, I see.

Woman: Say thank you.

Man: Thank you.

- 1** What kind of calculation does the man want to do?
 - a** addition
 - b** division
 - c** multiplication
 - d** percentage
- 2** What result does the man get when he does the calculation?
 - a** 50%
 - b** 8%
 - c** 0.5
 - d** 4
- 3** What is the correct result of the man's calculation?
 - a** 1%
 - b** $\frac{4}{8}$
 - c** 50%
 - d** 0.32
