

Elissa and the Mysterious Stalker

Complete the story:

On a cold, dark night, Elissa (1. work) late at the office. It was midnight when she (2. finish). As she (3. leave) her office, she (3. realise) the streets were empty. She was alone. While she (4. walk) back home, she (5. hear) some footsteps behind her. She (5. turn) around to look, but no one was there. So, she continued walking, Elissa is really scared now, someone (6. chase) her!

She started to run but the footsteps behind her got louder and faster. She quickly (7. run) into the cemetery and hid there. When Elissa (8. hide) the footsteps stopped.

Then, she quickly ran to the convenience store. She went inside and searched for help. The man said to her "Lady, the footsteps are yours. The soles of your shoes came off!"
