

Activity 1: write the missing words (Learner's book, P.97)

Materials for building

Houses are built from different . Some houses are made of because people can cut down to get wood. Some wooden houses are very old, but some are very new.

Some houses are made from and . These materials make strong, thick . If you live where it is cold and there is a lot of wind, you need strong, thick walls.

Tall blocks are built in cities because there isn't enough space to build houses for everyone. They are made out of a filled with or glass. Steel is a very, very strong metal. You need a strong material because tall buildings are very . Tall buildings need to stay even if the wind is blowing hard.

Wood

Brick

Steel

Activity 2: Which of the following words are suffix -ly? Tick the right answer

Suddenly

☐

Family

☐

Safely

☐

Reply

☐

Nicely

☐

Fly

☐

Kindly

☐

Jolly

☐

Lily

☐

Finally

☐

Silly

☐

Sadly

☐

Activity 3: Write the words in correct columns

Wait – white – fly – play – drain – die –
try – tray – main – mine – kind – case

<i>Eigh</i> sound	<i>lgh</i> sound
