

### Love Profusion by Madonna

#### **1. Choose the correct word**

There are **too many/ too much** questions  
There is not **one/ none** solution  
There is **any/ no** resurrection  
There is **so little/ so much** confusion

#### **2. Fill in the gaps**

And the love profusion  
You make me \_\_\_\_\_  
You make me know \_\_\_\_\_  
And the love \_\_\_\_\_  
You make me feel \_\_\_\_\_  
You make it \_\_\_\_\_

#### **3. Delete the extra words**

There are always too many options  
There never is no consolation  
I have lost all my interesting illusions  
What I want is an amazing explanation

#### **4. Repeat exercise number 2.**

I've got you under my skin (x4)

#### **5. Write the correct noun: isolation, celebration, destruction, isolation**

There is no \_\_\_\_\_  
There is real \_\_\_\_\_  
There is so much \_\_\_\_\_  
What I want is a \_\_\_\_\_

#### **6. Correct the lyrics and write the correct word in the space**

And I know I can feel good \_\_\_\_\_  
When I go in a bad mood \_\_\_\_\_  
And the world can't look so sad \_\_\_\_\_  
But you make me feel good \_\_\_\_\_
