

The logical song by Supertramp

Listen to the song and change the words in brackets to make adjectives or adverbs.

When I was young, it seemed that life was so _____, (WONDER – ADJECTIVE)
a miracle, oh it was beautiful, _____. (MAGIC – ADJECTIVE)
And all the birds in the trees, well they'd be singing so _____, (HAPPY – ADVERB)
oh joyfully, oh _____ watching me. (PLAYFUL – ADVERB)
But then they sent me away to teach me how to be sensible,
logical, oh responsible, practical.
And then they showed me a world where I could be so _____, (DEPEND – ADJECTIVE)
oh clinical, oh intellectual, cynical.

There are times when all the world's asleep,
the questions run too deep
for such a simple man.
Won't you please, please tell me what we've learned
I know it sounds absurd
but please tell me who I am
I said now watch what you say they'll be calling you a radical,
a liberal, oh fanatical, _____. (CRIME – NOUN PERSON)
Won't you sign up your name, we'd like to feel you're
_____, (ACCEPT – ADJECTIVE)
_____, (RESPECT – ADJECTIVE)
oh _____, a vegetable! (PRESENT – ADJECTIVE)
Oh Take it take it yeah!

But at night, when all the world's asleep,
the questions run so deep
for such a simple man.
Won't you please, please tell me what we've learned
I know it sounds absurd
but please tell me who I am,
Who I am!!! (three times)
Who knows who's so logical?
