

Somebody Told Me

Breaking my back just to your name
Seventeen and I've had it with this game
I'm breaking my back just to your name
But heaven ain't in a place like this
Anything goes but don't blink you might miss
Cause heaven ain't in a place like this
I said heaven ain't in a place like this
Bring it back down, bring it back down
Never thought I'd let a rumour ruin my
moonlight

Well somebody told me
You.....a boyfriend
Who looks like a girlfriend
That I had in..... of last year
It's not confidential
I've got potential

Ready? Let's roll onto something
Taking its toll and I'm leaving you
But heaven ain't in a place like this
Never thought I'd let a rumour ruin my
moonlight

Pace yourself for.....
I said maybe baby
But I just don't know
When all I wanna do is.....
