SHE WORKS AT THE ZOO

I'm at the zoo with Molly. Molly works at the zoo. She looks after the big animals: elephants, lions and tigers. Molly says, „My favourite animals are the elephants. At the moment we've got six elephants at the zoo. Two of the elephants are babies. They're very cute.“

Molly gets up every day at six o'clock. She starts work at seven o'clock. First she feeds the lions and tigers. They eat meat. Then she feeds the giraffes and the elephants. They eat vegetables. All the animals drink water.

„I go home at three o'clock. I'm always happy as I love my job.“
