## 5. Listen and sing the song.

### Chorus:

We are the animals on the farm and we're here to sing a song.

We're here to tell you about the animals living on the farm.

We're the animals on the farm,

Yeah, we're smart and full of charm.

Now sit on down and hear the sounds of the animals on the farm.

### Chorus:

We are the animals on the farm and we're here to sing a song.

We're here to tell ...

I'm a horse.

I like to run and play.

People ride up on my back and I eat lots of hay.

I'm a pig.

I wallow on the floor

My nose smells well

I love to bathe, my cousins a wild boar

I'm a duck.

My feathers are waterproof.

I love to swim,

and lay eggs, my relative is a goose.

My coat is wool and when it's full, the farmer cuts it short.

I'm a chicken, and I love laying eggs.

I eat grain with my long neck way down by my legs.

I'm a bull. I am big and strong.

I stamp my feet when I am mad and my horns are very long.

**Chorus:**

We are the animals ...

I'm a cow. I make milk every day.

You'll find me grazing in a field

The grass is where I play.

I'm a rooster. My feathers are  
colourful. I'm a bird that wakes  
you up to make sure your day is
