

How You Remind Me Nickelback

Never made it as a _____ man
I couldn't cut it as a poor man _____
Tired of livin' like a _____ man
I'm sick of _____ without a sense of feeling
And this is how you remind me

Chorus:

2x *This is how you remind me of what I really am*

It's not like you to say _____

I was waitin' on a different _____

This time I'm _____

For handing you a heart worth breakin'

And I've been _____, I've been down

Been to the bottom of every _____

These five words in my head

Scream, "Are we havin' _____ yet?"

2x

Yeah, yeah, yeah, no, no

It's not like you didn't know that
I said, "I love you," and I _____ I still do
And it must have been so _____
'Cause livin' with me must have damn near killed you

Chorus:

And this is how you remind me of what I really am

This is how you remind me of what I really am

It's not like you to say _____
