

THREE-WORD PHRASAL VERBS

1. Choose two prepositions to go with the verb on the left to create a three-word phrasal verb. Then, match the phrasal verb with its definition on the right.

Phrasal Verb			Letter	Definition
a. Break				Stay in pace with
b. Come				Reduce consumption.
c. Look				End a romantic relationship.
d. Keep				Be friends.
e. Get				Look after
f. Cut				Suggest or think of an idea or plan.
g. Put				Endure
h. Take				Feel pleased or excited about something is going to happen

2. Use one of the three part phrasal verbs above to complete the sentences below. Make sure you change the verb into the correct tense.

- He _____ his mother in the final months of her life.
- I will not _____ your bad habits any more.
- I am trying to _____ sugar this month.
- I _____ very well _____ my sister-in-law.
- It's hard to _____ my studies when I have to work at the restaurant every evening.
- She was _____ seeing her grandchildren again.
- She has _____ some amazing scheme to double her income.
- Last year, Sonya _____ her husband as a result of long separations.
