Our Future Homes

There will definitely be many changes in homes and transport in the future. There will certainly be 1_____ (fossil-fueled/energy-efficient/toxic) devices which will 2_____ (definitely/perhaps/possible) lessen our carbon footprint and our impact on the environment. We think many things will 3_____ (improve/get worse/disappear). Home developers will definitely create more organic and long-lasting 4_____ (areas/materials/work) that do not contain harmful 5_____ (chemicals/energy/impact) or create fumes. Contractors and 6_____ (architects/scientists/environmentalists) will probably use wood and brick to build. People 7 _____ (can/will/would) be able to program their homes through their smartphones, turning 8 _____ (on/in/about) the water heater or restocking the fridge from an automated app.
