

## Maze Reading

### The Third Term .Grade 10 ADV

**A- Read the following passage and choose the appropriate words:**

In 2050, our life will be a lot different 1-\_\_\_\_\_ (from, at, with) nowadays in many aspects. The environment, transportation, education and people's 2-\_\_\_\_\_ (lifestyles, star wars, urban planning) will also change to a new 3-\_\_\_\_\_ (avoid, level, city). People will have more 4-\_\_\_\_\_ (always, noisily, means) of transport. Solar- powered, wind- powered 5-\_\_\_\_\_ (satisfy, chance, cars) which are much more environment-friendly will be produced and used. Travelling to other 6- \_\_\_\_\_ (morning, planets, machine) will be more available for everyone. In addition, everyone can afford to study 7- \_\_\_\_\_ (vending machine, in, made) 2050. However, there are 8- \_\_\_\_\_ (save, also, force) some reasons to worry about life in the year 2050, the future. 9- \_\_\_\_\_ (discuss, with, environment) will have much pollution. Nevertheless, scientists will pay more 10- \_\_\_\_\_ (driverless organic, attention) to this aspect so it will be improved soon.
